Al-Hakkak Group founds in Italy H.K. Airlines, with the support of YOPAdvisors

YOPAdvisors stands by HAKKAK Investment Group while establishing H.K. Airlines, a new cargo airline oriented toward EU, Gulf countries and China markets.

The **newborn cargo airline H.K. Airlines**, right after its establishment, is about to start the procedures to obtain the **Air Operator Certificate from ENAC** (Ente Nazionale per l'Aviazione Civile, the Italian National Authority for Civil Aviation).
After obtaining all the authorizations, H.K. Airlines will start the Operations phase and install its own HUB in one of the major airports in Lombardy.

The H.K. Airlines' air fleet will consist in Boeing 747-400 Freighter, EU AOC certificated: the objective is becoming a strong and reliable cargo aviation company. Routes are being traced and will be foremost in European, Gulf Countries and China markets, but windows are already opening also on other destinations.
With the establishment of H.K. Airlines, Al-Hakkak Group shows its will to invest in Italy, through its Holding based in Croatia.

The Iraqui **Al-Hakkak Investment Group**, based in Jordan, has many investments in different sectors and countries; it owns and operates in different economic sectors such as Manufacturing, Transportation, Oil & Gas, Aviation, Real Estate, Pharmaceutical products, Communication and Distribution, Construction, and Retail. In the Transportation industry, at the end of turnover of more than 500 million dollars, more than 1000 employees, a fleet of more than 400 vehicles for distribution purposes, and a strategy to deliver over 30000 POS (Point of Sale).
